SOFTWARE DEVELOPMENT

Beside the hardware and network solutions; with design and development expertise in diverse platforms, best-of-breed tools and techniques, combined with industry best practices, APSIS offers scalable end-to-end application development and management solutions from requirement analysis for deployment and rollout. We are developing software, related to garments- production management, commercial jobs, buying, accounting software for trading, manufacturing house and conglomerates. We hope to come to you with desired software at a reasonable cost. APSIS's services span the following application lifecycle stages:

• APPLICATION DEVELOPMENT

Providing end-to-end development from requirement analysis for deployment and rollout.

• APPLICATION MAINTENANCE

Changing or enhancing software to meet changing or increasing business demands in the post-roll-out phase of an application

• APPLICATION SUPPORT

Providing first, second, third line support and on-call support. On-call support further includes Gold (24x7), Silver and Bronze support.

• APPLICATION INTEGRATION/MIGRATION/TRANSFORMATION

Replacing, migrating and integrating legacy or bespoke systems with COTS products.

• NETWORK & INFRASTRUCTURE SERVICES

Growth in the Solution Integration (SI) services market is fueled by the need for seamless business processes across an enterprise's complete value chain of customers, partners, suppliers, and employees. AIDENSLIN AGENCIES's services enable clients to identify, develop, and implement the best-fit solutions which are equipped to meet their changing business requirements. AIDENSLIN AGENCIES's Solution Integration services offer to: • Leverage IT investments • Minimize risks • Maximize compatibility • Maximize interoperability AIDENSLIN AGENCIES GRAPHICS provides total project management, right from architectural design, integration, system and interface development to migration backed by world-class methodologies, well-defined solution frameworks and extensive integration experience with tier-1 service providers.

• **HARDWARE SALES & SUPPORT SERVICES**

We offer servers, computers, computer accessories and services by sourcing from local market and from international market as well. Our team of experts is ready to serve you when you are worried due to lack of confidence in "commitment of service". You are hereby requested to call us for any kind of requirement of computers, computer parts and services whatever and whenever you need.
